Help us celebrate 100 years as an event sponsor! One benefit of event partnership is that you attract an audience that may share a passion for your company's mission, vision, or product. Advertise your business or organization to over 250 attendees and online bidders before and during the live auction event. Those who attend our event support education, and when they know you support it too, they're more likely to want to do business with you. In 2024, we were able to raise over \$100,000 for our school's tuition assistance program. These funds helped provide much-needed financial aid for families and enriched programs for all students, including the arts, theater, and extracurricular athletics. Join us as we "Celebrating 100 Years" of education at Pope St John XXIII STEM Academy on April 5, 2025 at McGavick Conference Center, as we ambitiously aim to raise over \$140,000.00!

Your support is tax deductible using Tax ID# 91-1743368
